APPOINTMENT DEPARTMENT

NOTIFICATIONS

The 4th October, 1956

No. III/R1-2021/55-A-9085.—In exercise of the powers conferred by the proviso to Article 309 of the Constitution of India and in supersession of the Bihar Government Servants' Applications for Posts Rules, 1951 published with Government Notification No. 3E-1-165/50A—8422, dated the 5th September, 1951, the Governor of Bihar is pleased to make the following rules, namely:—

1. These rules may be called the Bihar Government Servants' Applications for Posts Rules, 1956.

2. An applicant for appointment to a post or service under the administrative control of the Government of Bihar shall not be eligible for appointment if he is in the service of the Union or of a state and has applied without the consent of the head of the office or department of the Government of Bihar or the consent of the State Government, or the Government of India, as the case may be, under whom he is employed, or the consent of any authority empowered in this behalf by any such Government.

3. Permission to a Government servant employed in a service or post under the administrative control of the Government of Bihar shall—

(a) if he is a temporary Government servant, ordinarily be granted to submit an application for a post, to appear for an examination for a post, or for transfer or service to a post, in another office or department of the Government of Bihar, or under another State Government or the Government of India, as the case may be, if the post applied for is permanent, or is in a higher grade, or is a temporary post of longer duration;

(b) if he is a permanent Government servant,—

Provided that in the case of a Government servant, who holds a lien on post under another State Government or under the Government of India but is temporarily employed under the administrative control of the Government of Bihar the concurrence of the Government of Bihar or of the Government of India, as the case may be, shall be obtained before permission is granted.

Patna, the 23rd November, 1956.

All Departments of Government,
All Heads of Department,
All District Officers.

The undersigned is directed to say that in the Bihar Government Servants' Application for posts Rules, 1956, provision has been made regarding the circumstances in which applications from permanent and temporary Government servants for posts should be forwarded. It has now been decided that applications from Government servants on probation, and holding no lien on a permanent post, should be treated in the same way in which the applications from temporary Government servants are treated. Where a Government servant holds a lien on a permanent post of lower rank, and is on probation in a lower post, he will of course be treated as a permanent Government servant for the purpose of the above rules.

All Departments of Government.

The undersigned is directed to say that question has arisen regarding the forwarding of application of certain categories of candidates for appointment to the Industrial Management pool now being constituted by the Government of India. The Government of India have indicated that posts in the Industrial Management pool will be in central Service Class I. Under Rule 3 (b) (i) of the Bihar Government Servants' Application for posts Rules, 1956, a permanent employ for appointment to a post in central Service class I, unless there are exceptional reasons for refusing him permission to apply, is to be taken from the pool of personnel employed in the different Departments under the State.

Government should be fully safe-guarded. In view of the acute shortage of technical personnel, applications from such candidates for appointment to the Industrial Management pool should not be forwarded as a matter of course, but it should be examined separately in each case whether the candidate can be released, if appointed, without detriment to the interest of the State Government.

Subject:—Forwarding of applications to the Bihar Public Service Commission or Union Public Service Commission.

Sir,

I am directed to say that applications of Government servants, submitted through proper channel for posts advertised by the Bihar Public Service Commission or the Union Public Service Commission or the Union Public Service Commission are received by Government either after the last date fixed for receipt of such applications by the Public Service Commission concerned or only a few days before it. Such delays in receipt of applications cause much inconvenience to Government as well as to the Commission. The Government servants applying for the posts also suffer for no fault of theirs. It is, therefore, requested that it may kindly be ensured that such applications reach Government at least a week before the last date fixed by the Commission.

2. In this connection, your attention is also invited to the provisions of the Bihar Government Servants' Application for posts Rules, 1956, contained in Appointment Department No. 9065 dated the 4th October, 1956 and to say that in future, a copy of the advertisement of the post applied for, should accompany the applications forwarded to Government to enable them to take a decision in the matter.

3. I am to request that the above instructions be brought to the notice of all

Government servants.

Subordinate offices

under you for future guidance.

Yours faithfully,

(K. K. Srivastava)

To

All Departments of Government

All Heads of Departments

All Commissioners of Divisions

All District Officers

The undersigned is directed to refer to the procedure laid down in rule 2 of the Bihar Government Servant's Application for posts Rules, 1956 and to say that a few cases have come to the notice of Government in which applications of Government servants had been forwarded to the Public Service Commission by superior officers although they were not competent to do so. This was irregular and the candidates whose applications were thus forwarded were ineligible for being considered for the posts applied for by them under Rule 2 of the Bihar Government Servant's Application for posts Rules, 1956. The Public Service Commission invariably scrutinise the applications to see if they had been properly forwarded, but some times slips occur. It has therefore been decided that in case a person already in Government service applies for another post under Government, his application should invariably be routed through his appointing authority, and the responsibility for such routing of the application will rest squarely on the officer under whom the applicant is working.

This may kindly be brought to the notice of all officers subordinate to you for their information and further guidance.
