5.8 **Restriction on Ad Hoc Appointments**

5.8.1 Model Code envisages that during the period of its operation, no ad hoc appointments in government, public undertakings, etc. shall be made, which may have the effect of influencing the voters in favour of the party in power.

5.8.2 The policy of the Election Commission has been that it does not object to the appointments/regular recruitment/promotions made on the results or recommendations of the Union or State Public Service Commissions, Staff Selection Commission or other such statutory bodies or regular promotions on the recommendations of departmental promotion committees. But in certain cases, even regular appointments being made in the normal course on the basis of due selection by the authorities concerned have been deferred till after the completion of elections.

5.8.3 Recruitment through non-statutory bodies will require prior clearance of the Election Commission. Normally, wherever the Election Commission considers that the matter is not of extreme urgency and could wait till the completion of the election process, it advises the government to defer such appointments for the time being. Some of the important proposals of appointments so deferred by the Election Commission
