No. 491/DO/ECI/FUNC/SVEEP-II/AO/2019

Dated: 13th March, 2019

To,

Subject: Deployment of Accessibility Observers for General Elections to the Lok Sabha - reg.

The Commission has decided to deploy Accessibility Observers for the General Elections to Lok Sabha, 2019 to further strengthen the efforts taken up by ECI in the past years for enhancing participation of persons with disabilities in the electoral process. The need for deploying Accessibility Observer was felt especially after the commission launched the Strategic Action Plan for inclusion of Persons with disabilities in the electoral process in July, 2018.

Accordingly, the Commission has decided to appoint Divisional Commissioners as Accessibility Observers for General Elections to the Lok Sabha 2019. Where ever the post of Commissioners does not exist, State may in consultation with the Chief Electoral Officer of the state send a panel of name of equivalent rank officers to be appointed as Accessibility Observers.

Accessibility Observers shall oversee the efficient and effective implementation of all instructions of the commission related to Accessible Elections at the field level. For all purposes, they will act as the eyes and ears of the Commission during the period and provide inputs to the Commission through the Chief Electoral Officers of the respective State/UT, about the steps taken up at the field to make the electoral process accessible.

Detailed instruction on their role and reporting formats shall be shared with them subsequently. You are requested to kindly issue orders to the Divisional Commissioners to this effect.
