Assets in public

OUR CORRESPONDENT

Patna, Jan. 24: The state government has decided to make public the details of the assets of all its employees belonging to Grade I, II and III categories.

The decision was taken in the state capital on Monday.

The general administration department issued letters to the heads of all the departments on Monday.

The letter also mention- ed that while releasing the salary of a state government employee for the month of February it has to be ensured that they have submitted the details of their assets to their controlling department.
